

2017 Gospel Pageant of Light

If parents want their children to participate in the pageant they will need to contact you for information and tickets. They can simply fill out the attached form.

We will give each participant **10 tickets at a time**. The tickets are numbered so we will record the ticket numbers and put a check by each number once each ticket is sold. Once parents sell out the first 10 tickets, they are then able to come back to you for another set of 10. This is so we won't have extra tickets floating around that are not paid for.

Any tickets that parents have not sold they are responsible for turning those tickets back in by the morning of the pageant. Whoever sells the most tickets will be crowned Master Rice Park and Ms. Sparkle.

There will be **3 age categories**:

- 1) Ages 3 and under
- 2) Ages 4 - 8
- 3) Ages 9 -12

There will be **3 fashion scenes**:

- 1) Fun In Sun
- 2) Back To School
- 3) Let's Go To Church

The winners from each category will be crowned and get to ride the "Welcome" float, which will be the lead float for the 2017 Labor Day Parade.

Since the "3 and under" kids are so small, they will not be able to ride the float, but they will still receive a crown. We will allow the parents to enter a vehicle in the parade for their child at "No Charge" in honor of Mr. and Ms. Sparkle "Jr.". Parents would be in charge of decorating their own vehicle. Their vehicles will follow behind the welcome float. (We are also considering a float for the non-winning of the participants to follow behind as well).

2017 Gospel Pageant Application
